## EFFORT WAS MADE TO CONCEAL MURDER

### Torch Put to Town to Hide Horrible Work.

### TWO WHITE MEN WERE KILLED

**Two Hotels and Seven Houses Burned to Conceal Murder—Negroes Suspected and Summary Punishment Is Feared.**

Natchez, Miss., Oct. 25.—William Boyd, water service superintendent, burned to death; C. J. Little, an engineer of a switch engine, killed by a blow on the back of the head, the Johnston hotel, Cochran hotel and seven cottages destroyed by fire, is the record of work at Ferriday, La., 10 miles west of this city.

A negro who murdered the engineer for his money set fire to the hotel to conceal the evidence of his crime. Little's body was found under a shed in the switch yards by three railroad men, who were attracted to his side by his groans. He lived but a few minutes after being found and was unable to tell the name or color of his assailant.

The pay car of the New Orleans and Northwestern railroad passed through Ferriday and Little was evidently murdered for his money.

Boyd was asleep in the hotel and was burned to death. His body has not been recovered.

There was another fire in Ferriday Tuesday, but owing to the fact that the telephone cable between Louisiana and Mississippi banks of the Mississippi river are down, no news can be received.

A negro man and woman were arrested in Ferriday on suspicion of having murdered Little, and it is believed they will be summarily dealt with.

Several visitors from Louisiana who were here made significant remarks, intimating that there would be a movement to drive all worthless negroes from Ferriday.

A number of white vagrants were driven from the place several weeks ago.

The property loss amounts to $60,000, partially covered by insurance.

### Hawkins Withdraws Motion.

Gainesville, Ga., Oct. 25.—Before Judge J. J. Kemsey, at chambers in Gainesville, counsel for Fred Hawkins, convicted of the assassination of Henry E. Cagle at the September ent time to prove his innocence, withdrew their motion for a new trial. The dismissal of the motion was made in the following language: "Fred Hawkins, declaring his innocence of the charge of killing Henry E. Cagle, and yet being unable at the present time to prove his innocense, withdraws his motion for a new trial."

### Wealthy Canadian Commits Suicide.

Chicago, Oct. 25.—William S. Stewart, 35 years of age, of Toronto, Ontario, committed suicide by shooting himself at the Saratoga hotel. Stewart had been making a tour of the west with Mr. and Mrs. D. O. Cloud of Rochester, N. Y. Cloud and his wife were held as witnesses pending the coroner's inquest. Stewart was the only son of a wealthy Canadian, who died several years ago.

### Stensland Bank Brings $750,000.

Chicago, Oct. 25.—Judge Bretano of the supreme court has authorized the sale of the Milwaukee Avenue State bank, which was wrecked by its president, Paul O. Stensland, to the Assets Realization company for approximately $750,000. The bid accepted by the court was 71¼ per cent of the face value of the capital stock of the bank.

### 220,000 German Miners May Strike.

Essen, Prussia, Oct. 25.—The mine owners have replied to the demand of the miners for higher wages, saying that the Owners' association cannot recognise the miners' committee as being representatives of all the miners employed. This brings the threatened strike of the 220,000 miners appreciably nearer.

## WEBB ARRESTED FOR CONTEMPT

**Arrest Was Result of Trial of Walter Edmunds, Acquitted.**

Atlanta, Oct. 25.—Pat Webb, a bailiff in Justice Puckett's court, was arrested Tuesday afternoon by County Officer Dunbar by virtue of a rule issued by Judge Roan in the superior court requiring him to show cause why he should not be punished as for contempt for having threatened Tom Oakes, a witness in the case of the state against Walter Edmunds, tried Tuesday and acquitted for the murder of Frank Smith, a negro, who was cut to death on the Forsyth street viaduct on the night of Sept. 22.

In default of $100 bail, Webb was committed to jail. He will not be tried on the charge until Saturday, Nov. 3, Judge Roan having announced that the offense charged against him struck at the very fountainhead of justice, and the court desired to carefully sift the charge against him.

After Webb was arrested he stated that he saw Tom Oakes, the witness, in the corridor of the court room last week, and, having heard that Edmunds had killed the negro with a skinning knife, asked Oakes if it were true. He states that Oakes replied that he did not know, that he was too scared to see who killed the negro. Webb declares that this was all he has had to say to Oakes.

Oakes, who is being held until the grand jury investigates the charge of perjury against him, growing out of his evidence in the Edmunds case before the grand jury, and his contradiction of his evidence while on the stand in the trial of Edmunds Tuesday, gave bail in the sum of $100 for his appearance. His case will be investigated by the grand jury on Friday.

### Women Suffragists Arrested.

London, Oct. 25.—Ten women suffragists, who were arrested Tuesday for disorderly conduct in the precincts of the house of commons, were arranged in police court Wednesday and were bound over to keep the peace for six months. Such a commonplace outcome of the affair did not meet the views of the suffragists, who apparently desired to assume the role of martyrs by being committed to jail and when the magistrate announced his decision a great uproar broke out in the court room and ultimately the women had to be removed by force. Some of them were literally thrown out among the crowds waiting outside the building.

### Cathedral Dedicated.

Pittsburg, Oct. 25.—The new St. Paul Roman Catholic cathedral, said to be the most beautiful edifice in the state, representing a cost of $3,500,000, and over three years' work of artisans, skilled craftsmen and laborers, was dedicated Wednesday by Monsignor Falconio, papal delegate to America, assisted by Cardinal James Gibbons of Baltimore, Archbishop Farley of New York, Ryan of Philadelphia and a score of other high dignitaries of the church, who arrived here for the occasion during Tuesday and Tuesday night.

### Desperately Wounded In Fight.

Jackson, Ky., Oct. 25.—Will McIntosh has been brought here from Athol, where he was desperately wounded in a fight with Mose Caudill. Caudill was instantly killed by Robert McIntosh. The McIntosh boys had gone to the home of Caudill, who married their sister, to take away the little daughter of their sister, who had died. Caudill resented this and the fight ensued. Sam McIntosh, a third brother, was arrested and is in jail, charged with complicity.

### Death of Mrs. Luang Ratanayapti.

Washington, Oct. 25.—Announcement has just been made of the death of Mrs. Luang Ratanayapti, wife of the Siamese charge d'affaires, which occurred here Oct. 18. The removal of the body to a receiving vault was the first that became known publicly of the death. She had been ill for a week. In accordance with the Siamese custom, the body will be cremated and the ashes sent to Siam.

### Cost of City Government.

New York, Oct. 25.—The board of estimate has just agreed upon a tentative budget. It will cost about $175,000,000 to run the city of New York next year.

## KENTUCKY FEUDISTS ENGAGE IN BATTLE

### Three Men Were Probably Fatally Wounded.

### ABOUT 30 SHOTS WERE FIRED

**Factions Met In Public Road and Members Engaged In Battle—Sheriff Goes to Scene of Trouble In an Effort to Restore Peace.**

Knoxville, Tenn., Oct. 25.—A special from Sergeant, Ky., to the Sentinel says:

An engagement between members of the Brown factions on Dry Fork creek, south of here, occurred Tuesday, and Henry Brown, aged 34 years, a teacher, was perhaps mortally wounded; Elihu Brown was desperately shot three times, and William Brown was slightly wounded.

About 30 shots were fired.

The factions, it is said, met on the public road near Henry Brown's home.

A clash had been expected.

Sheriff Crawford has gone to the scene in an effort to make peace with the factions.

### Victim of Whitecappers.

Chicago, Oct. 25.—A dispatch to the Tribune from Redbud, Ills., says Anton Millibach, a German farmer residing at Renault, Monroe county, Illinois, was whitecapped last Tuesday night and died Friday night. Millibach went to town on Tuesday and became slightly intoxicated. A gang surrounded him in a saloon and threatened to hang him. He resisted, but was overpowered. Then the lights were put out and he was beaten and thrown out. Millibach then got into his wagon and started home. Part of the gang was waiting for him at the outskirts of the village. They showered him with stones. He fell in the wagon and was taken home by a bartender. The whitecappers are composed of idle young men, who hang around the saloons of the village and persecute strangers, simple-minded persons and inebriates.

### Epidemic of Peculiar Disease.

New York, Oct. 25.—The World says that an epidemic of diesease which doctors have confessed themselves unable to diagnose and which has assumed alarming proportions in the town of Marinos harbor, on Staten Island, has thrown residents of that place into a panic. Hundreds of persons have sold or closed their houses and moved to other parts of the island. The disease has already brought two victims to the grave and there are present under treatment in the town over 300 cases. Its victims are first attacked by a high fever and soon red blotches cover their bodies. At its inception the malady confined itself to the ranks of American laborers, nearly 3,000 of whom have been brought to the town from Buffalo, N. Y., recently to construct new factory buildings.

### Machinists and Laborers Strike.

New Orleans, Oct. 25.—Following the discharge of ten men by Master Mechanic J. P. Nolan, all the machinists and laborers employed by the Southern Pacific at Algiers struck Wednesday. Fourth Vice President Thomas L. Wilson of the International Machinists' union, who is here from Washington, says that the strike will extend over all the Southern Pacific lines unless the trouble is adjusted. President O'Connell of the International machinists, is expected to seek a conference with Mr. Harriman in New York, in the hope of securing his personal influence toward a settlement of the grievances of the men.

### Illinois Memorial at Vicksburg.

Chicago, Oct. 25.—Fully 2,000 persons are expected to leave this state over the Illinois Central road for Vicksburg, Miss., to attend the dedication of the Illinois memorial temple on the battlefield of Vicksburg. Sixteen hundred people will go from this city alone, 704 of the number being members of the First infantry, Illinois National guard.

## BLOCK BURNED AT SAVANNAH.

**Loss Will Probably Reach $50,000. Union Station Was In Danger.**

Savannah, Ga., Oct. 25.—Fire on Tuesday afternoon practically destroyed the entire block of buildings bounded by West Broad, Stewart, Pendergrast and Jones streets.

The heat caused the paint to curl on the union station just across the street. The efficient work of the fire department probably prevented a conflagration, for at one time it looked as if the entire business section on West Broad street was in imminent danger.

The fire destroyed the stores occupied by H. Lang & Bro., barkeepers; S. K. Lewin, drygoods; Wallace & Sutker, bar; S. Benez, fish; L. S. Price, furniture; T. V. Vigodsky, clothing; Xenephon Miltiades, bar. The house of W. A. Hazzard, a negro, on West Broad street, was damaged, as were the residence and store of J. Rocker & Bro.

The fire had its origin in the explosion of an oil lamp in Meigs' barber shop. It spread very rapidly. When an attempt was made to turn in the general alarm it could not be done, as the fire had melted the wires. The main portion of the property destroyed was owned by Messrs. Wallace & Sutker, L. S. Price and H. Lang.

The loss will amount to about $50,000. Much of it is covered by insurance. Lang Bros. are probably the heaviest individual losers.

### Cut Companion's Throat.

Los Angeles, Cal., Oct. 25.—John Williams, aged 17 years, was arrested at Long Beach Tuesday night and will be held for requisition by the governor of Louisiana. The charge pronounced by authorities against the youth is that at Shreveport, La., several weeks ago, he committed robbery and attempted murder, cutting the throat of his companion. The wounded man is still alive. Williams, when taken into custody, is said to have admitted his identity and expressed relief at his arrest.

### Deer Killed by Governor.

Darien, Ga., Oct. 25.—On their way to Savannah from St. Catherine's Island, Governor and Mrs. J. M. Terrell spent a few hours in Darien. They arrived on the yacht Jessie, where they were the guests of Mayor W. Wilkns of Waynesboro. Governor and Mrs. Terrell spent several days on St. Catherine's Island, where some excellent hunting was enjoyed in, a fine deer being killed by the governor.

### Big Land Suit.

Nashville, Tenn., Oct. 25.—A suit has been brought by Elsman & Roberts, in Hickman county, this state, against the Bon Air Coal and Iron company and the New York Trust company to recover 25,000 acres of land, part of which is the Warner furnace lands and the Aetna mineral lands. The value of the property is estimated at $200,000, and was sold under the hammer some years ago for $16,000.

### Cuban Officials Suspended.

Havana, Oct. 25.—In consequence of the discovery of collusion of minor officials of the custom house and outsiders in connection with the auction sales of uncalled for goods, Cashier Bucallao has resigned and one inspector and two clerks have been suspended pending an investigation. The amount of the frauds is not believed to be great. There is no charge against Bacallao.

### Mrs. Oelrichs Files Objection.

New York, Oct. 25.—Mrs. Herman Oelrichs of this city Wednesday filed an objection in court to the probate of the will of her late husband, Herman Oelrichs. Her objection is based on the ground that Mr. Oelrichs was not a resident of New York, but of California. Mr. Oelrichs left the bulk of his estate to his brother and sisters.

### Conferences Were Futile.

New Orleans, Oct. 25.—Clerks employed by the Texas and Pacific railroad left their places Wednesday, conferences with representatives of the road having failed to adjust their grievances, which are similar to those of the Southern Pacific strikers.

The people of Gainesville are devoted to football, and since the University has been established here and there is a good team, with prospects of witnessing some fine games, the interest increases. The University team has been working hard for the past few days, and is said to be in excellent condition. The same is said of the boys from Rollins College, and those who attend are assured of a game worth going to see. The admission to the grounds will be fifty cents.

### A DELIGHTFUL OCCASION.

Rathbone Sisters of Waldo Observed Anniversary of Order.

Mrs. Geo. P. Morris, Past Grand Chief of the Rathbone Sisters, spent Tuesday night in Waldo, where she attended a meeting of Crescent Temple No. 1 of that order, which is the ladies' auxiliary of the Knights of Pythias. The Temple observed in a most appropriate manner the eighteenth anniversary of the order. There was arranged for the occasion a fine program, comprising addresses, papers, music, etc., after which refreshments were served.

As indicated by its number, Crescent Temple is the oldest temple of the order in the State, as well as one of the strongest.

# WOMEN'S NEGLECT

SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

Miss Kate McDonald

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, or other female weakness.

These symptoms are but warnings that there is danger ahead, and unless heeded a life of suffering or a serious operation is the inevitable result.

The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald of Woodbridge, N. J., writes:

Dear Mrs. Pinkham:

"Restored health has meant so much to me that I cannot help from telling about it for the sake of other suffering women.

"For a long time I suffered untold agony with a female trouble and irregularities, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

For twenty-five years Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, has under her direction, and since her decease, been advising sick women free of charge. Her advice is free and always helpful. Address, Lynn, Mass.

### WILL HOLD MEETING TODAY.

Sub-Commissioners and County Commissioners Will Come Together.

There will be a joint meeting of the County Commissioners and Sub-Commissioners for the Florida State Fair at the court house at 11 a. m. today.

The meeting will be held for the purpose of bringing together the ideas and working of the commissioners and sub-commissioners, and it is hoped that the full quota will be present, as this is a time when all commissioners and sub-commissioners must get together.

Mrs. W. H. Palmer, representing the Woman's Department, states that she is making fine progress. With another lady of the city who has volunteered to assist her, she has been doing good work among the ladies, and the Woman's Work Department will be a great feature at the Fair.

### PROGRESS ON SEWER WORK.

About Half the Pipes Now Laid—Scarcity of Labor Greatest Trouble.

Contractor Beeman, who has been working for the past few months on the sewer system for the city, reports that he is making fairly good progress, having laid about half the pipes.

He states that his greatest trouble is the scarcity of labor. He has been quite fortunate in a measure, however, as he has not desired until recently to work an extra large force; but he now wants to increase the number of men, and finds a difficult proposition confronting him in the labor question. He is offering good, able-bodied laborers $1.50 per day, however, which should be an inducement, as the scale is more than the average common laborer can receive at other work.

### Fall Openings.

The ladies of Gainesville were out yesterday in their glory. The G. W. Hyde Company's and Mrs. S. W. LeGrande's millinery parlors were both holding their fall and winter openings. Both stores were crowded throughout the day.

The G. W. Hyde Company had on display their fall and winter dress goods, and their ready-to-wear department attracted much attention. Mr. Gardner, the present manager of this store, is making an up-to-date city store of it, and his efforts are much appreciated by the ladies of Gainesville.

Mrs. LeGrande had on display at her parlors many beautiful hats and it is useless for us to add that many were sold.

The interment was held in Evergreen cemetery.

### HARMFUL STOMACH DOSING.

No Need of It When Hyomei Is Used to Cure Catarrh.

Physicians and scientists agree that the less medicine one swallows, the better. It is in keeping with this idea that Hyomei is recommended by leading physicians throughout this and other catarrhal sections.

When this treatment is used in catarrhal troubles, there is no stomach dosing, for the medicine is taken in with the air you breathe, and goes right to the spot where the catarrhal germs are present, healing the inflamed and irritated mucous membrane, killing the disease germs and entering the blood with the oxygen, driving all catarrhal germs from the system.

Do not try to cure catarrh of the head by putting medicine into your stomach—this is neither a scientific nor common sense treatment. Breathe the healing balsams of Hyomei and in a few days you will notice relief, and its continued use will result in a complete and lasting cure.

J. W. McCollum & Co. have seen so many cures made by Hyomei amongst their customers, several of them cases where all hope of relief had been given up, that they give an absolute guarantee of cure, or money will be refunded with every outfit they sell.

The complete outfit costs but $1, while extra bottles of Hyomei if needed are only 50 cents.

after a pleasant visit to his parents, Mr. and Mrs. L. W. Jackson, in this city. Lawrence has many friends here who were glad to see him again.

Mrs. S. P. Lewis, daughter, Miss Kate, and son, Chas. W., of Wade, after a visit to Mr. and Mrs. F. C. Reinhardt in this city, have returned to their home. They were accompanied by Miss Marie Reinhardt, who will be their guest for a few days.

Prof. Jules Eichelberger left yesterday for Alachua and other points, where he has been engaged to tune and repair a number of pianos. He declares The Sun is the proper thing when it comes to advertising, as his ad. in this paper has been the means of keeping him constantly on the go recently.

After a pleasant sojourn of a month at their old home, Owensboro and Calhoun, Ky., J. S. Goode and W. P. Moseley have returned to Gainesville. It had been sometime since they had the pleasure of meeting the friends of long ago in "Old Kentucky," and naturally the visit was doubly appreciated on this account.

The attention of the street committee is called to the fact that the electric light on North Pleasant street, corner West Court, has been out for several nights. This section of the city is unusually dark, owing to the presence of so many shade trees, and pedestrians experience a great deal of difficulty in making progress in that vicinity.

Rev. F. M. Hartman requests The Sun to announce that beginning Saturday, the 27th inst., he will begin a series of meetings at Antioch Missionary Baptist Church. He will be assisted in the work by Rev. C. D. Parkinson. The general public is invited, and the meetings will be continued as long as the attendance and result will warrant.

Whenever you see the name of Joe A. Wallace attached to a show you can depend that it is a good one. Mr. Wallace is the "showman" that gives all he advertises, and money back if not satisfied. His Peck's Bad Boy Company will be at the opera house next Saturday, matinee and night. Joe A. Wallace, owner and manager, has never had a poor company nor play.

A number of citizens who love a fish dinner congregated at a lake about two miles and a half east of the city yesterday, where they enjoyed a chowder and fish fry. The chowder was prepared by Dave Robinson, while the fry was prepared under the direction of Uncle Tom Boulware. It was a feast fit for the best epicurean, and was declared first-class in every respect.

H. W. Simpson of Baltimore, the clever traveling representative of Rothstein & Stern, clothing, was a guest at the Brown House yesterday. He is a Georgia boy who has won a great deal of credit, and is today holding one of the most lucrative positions on the road. He is a personal friend of the city editor of The Sun, having been born and reared in the same town in Georgia.

The Lady Baltimore Tea, which was held at the reading rooms of the Public Library yesterday afternoon, was well attended, and those present were well pleased with what they received—a cup of tea, a slice of good cake and the receipt for the famous Lady Baltimore cake, which is as good as any cake ever made. The benefit was for the Public Library, and the encouragement from this entertainment was certainly appreciated.

Hon. R. B. Weeks of Hawthorn, chairman of the school board, and who was again honored by the election as moderator of the Santa Fe River Baptist Association, just adjourned, returned to his home yesterday. "Uncle Bob," as he is familiarly known, is a conscientious, Christian gentleman, and no man in the county commands more respect than he. His unanimous re-election as moderator of the association was one of the most flattering compliments which could have been paid him.

## THE NEWS FROM MELROSE.

### Delightful Birthday Party—A Quilting Bee—Other Notes.

Melrose, Oct. 24.—The Grandin nine came over to play the Melrose nine on Saturday afternoon, but did not succeed in carrying off the game, as the score was seven to twenty-nine in favor of Melrose. The visitors were entertained on their arrival with a good dinner, and in the evening a pillau was much enjoyed by them.

William Huffman celebrated his eighth birthday last week by giving a party to some twenty of his little friends. The afternoon was spent in playing all kinds of games and in enjoying the fine refreshments provided. William was made happy by receiving numerous presents.

E. W. Watkins of Putnam Hall was in town Friday to arrange for the operation of a telephone line from Putnam Hall to Melrose. He expects later on to connect with Palatka.

As a result of the revival meetings held for the past two weeks at the M. E. Church by Rev. T. Sistrunk, six new members were added to the church at yesterday's services.

Mrs. W. H. Corpew and son left Saturday for Gainesville to visit Mrs. M. Phifer.

One of the largest quilting bees given recently took place at the Huffman House last Tuesday. Some twenty-five willing friends assembled and assisted Mrs. Huffman to provide numerous quilts for their prospective guests.

Mrs. O. C. Husband and daughter and Miss Sadie Mullen spent the week end at Starke.

The present enrollment at school has reached the 75 mark. This is better than it has been for years, and it is to be hoped that the Melrose school will soon regain the high reputation of former years.

When your hair begins to fall out and your scalp is full of Dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

## LISTEN TO THEIR APPEAL.

Outside of Lee county, which is peculiarly situated, the taxpayers of the drainage district are nearly a unit in opposition to the drainage scheme. Take, for instance, a poor man, with a family to support, who has homesteaded 160 acres of land, whom the drainage of the Everglades will not benefit one cent; under the proposed Constitutional amendment he will be compelled to pay $16 a year drainage tax in addition to his State and county taxes.

In this connection The Sun takes pleasure in publishing the following appeal from citizens of Osceola county, which is located in the heart of the drainage district:

"We, the undersigned Democratic officials of Osceola county, desire, in justice to the people of this county, to make the following statement to the qualified electors of the State:

"It has been said in the press and on the stump that the people of the Everglades drainage district are ALL in favor of the payment of the drainage tax.

"We desire to say that at the May primary the race for the Legislature was run solely on the drainage issue, and the successful nominee for the Legislature, Hon. Arthur E. Donegan, was overwhelmingly elected on a clear-cut ANTI-DRAINAGE platform.

"Osceola county was the headquarters of the Disston drainage canal system. This county may therefore be styled THE drainage county of the State. Our people are particularly familiar with the effects of drainage, and are particularly qualified to express an opinion upon the merits of the proposed Drainage Constitutional Amendment.

"We repeat, that the people of this county have already passed upon this drainage question, and in the race for the Legislature they voted this drainage scheme down and emphatically condemned it.

"Basinger, the nearest settlement of any size to Lake Okeechobee, voted almost to a man against drainage.

"The past action of the people of this county in voting overwhelmingly AGAINST this drainage scheme is in itself an appeal to the voters of Florida not to fasten upon our people this oppressive, arbitrary and useless drainage tax.

"This is an appeal to you, the fair-minded people of Florida, to give us your assistance, and to vote AGAINST the Drainage Constitutional Amendment.

"Respectfully submitted to your favorable consideration,

"R. T. Butler, Chairman Board County Commissioners; E. L. Lesley, Clerk Circuit Court; W. R. Johnston, County Judge; W. J. Sears, Superintendent Public Instruction; J. M. Walker, Sheriff; J. W. Aderhold, Mayor of Kissimmee; W. B. Makinson, Tax Collector; J. L. Overstreet, Tax Assessor; J. R. Gilbert, Sr., Treasurer; J. A. Lancaster, Supervisor of Registration and Member Democratic State Executive Committee; T. M. Murphy, President Council Kissimmee."

Referring to the death of Mrs. George Tillman, mother of James H. Tillman, who has visited Gainesville on two different occasions, The Times-Union says the pall-bearers were negroes, formerly slaves of the family, who have never left the plantation. This reminder of the friendship between the races that prevailed in the olden days and that still exists among the whites and blacks who are old enough to remember them is in marked contrast to the accounts of race strife with which the columns of the newspapers are filled.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. # FLUE CURING IMPROVES TOBACCO LIKE ROASTING IMPROVES GREEN COFFEE

## Flue Curing Develops the Stimulating Aroma and Taste Found In Schnapps that Satisfies Tobacco Hunger

There are three ways used by farmers for curing and preparing their tobacco for the market; namely, sun cured, air cured and flue cured. The old and cheap way is called air cured; the later discovery and improved way is called flue cured. In flue-curing the tobacco is taken from the field and suspended over intensely hot flues in houses especially built to retain the heat, and there kept in the proper temperature until this curing process developes in the tobacco the stimulating taste and fragrant aroma found in Schnapps tobacco, just as green coffee is made fragrant and stimulating by the roasting process. Only choice selections of this ripe, juicy flue cured leaf, grown in the famous Piedmont country, where the best tobacco grows, are used in Schnapps and other Reynolds' brands of high grade, flue cured tobaccos.

Hundreds of imitation brands are on sale that *look* like Schnapps; the outside of the imitation plugs of tobacco is flue cured, but the inside is filled with cheap, flimsy, heavily sweetened air cured tobacco; one chew of Schnapps will satisfy tobacco hunger longer than two chews of such tobacco.

Expert tests prove that this flue cured tobacco, grown in the famous Piedmont region, requires and takes less sweetening than any other kind, and has a wholesome, stimulating, satisfying effect on chewers. If the kind of tobacco *you* are chewing don't satisfy, more than the mere habit of expectorating, stop fooling yourself and chew Schnapps tobacco.

Schnapps is like the tobacco chewers formerly bought costing from 75c. to $1.00 per pound; Schnapps is sold at 50c. per pound in 5c. cuts, strictly 10 and 15 cent plugs.

Not since the old carpetbag days has there been such an effort on the part of men holding high office in Florida to trick the people and to fool them into dark corners. The drainage constitutional amendment is one of them. "The Little Giant of Alachua" in his palmiest days, would not have dreamed of fastening such a thing upon the people.—Times-Union.

# AWFUL PSORIASIS 35 YEARS

Terrible Scaly Humor in Patches All Over the Body—Skin Cracked and Bleeding—Itching Unbearable—Cured by Cuticura in Thirty Days at Cost of $4.75.

## ANOTHER WONDERFUL CURE BY CUTICURA

"I was afflicted with psoriasis for thirty-five years. It was in patches all over my body. I used three cakes of Soap, six boxes Cuticura Ointment, and two bottles of Cuticura Resolvent. I bathed with the Soap, applied the Ointment once a day, and took the Resolvent as directed. In thirty days I was completely cured, and I think permanently, as it was about five years ago.

"The psoriasis first made its appearance in red spots, generally forming a circle, leaving in the center a spot about the size of a silver dollar of sound flesh. In a short time the affected circle would form a heavy dry scale of a white silvery appearance and would gradually drop off. To remove the entire scales by bathing or using oil to soften them the flesh would be perfectly raw, and a light discharge of bloody substance would ooze out. That scaly crust would form again in twenty-four hours. It was worse on my arms and limbs, although it was in spots all over my body, also on my scalp. If I let the scales remain too long without removing by bath or otherwise, the skin would crack and bleed. I suffered intense itching, worse at nights after getting warm in bed, or blood warm by exercise, when it would be almost unbearable.

"To sum it all up, I would not go through such another ordeal of affliction for thirty-five years for the State of Kansas. (signed) W. M. Chidester, Hutchinson, Kan., April 20, 1905."

Cuticura Soap, Ointment, and Pills, are sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston. "How to Cure Torturing Humors."

## HIGHER WAGES FOR POSTAL MEN

**Substantial Increase in Salaries to Be Recommended.**

Washington, Oct. 25.—First Assistant Postmaster General Hitchcock, in a statement in connection with his recent announcement that he would recommend a substantial increase of salaries for postal employes, said the sum received will benefit 75 per cent of the clerks in grade below $900, about 50 per cent of the clerks receiving $900 and $1,000, about 40 per cent of those receiving from $1,100 to $1,200, and 30 per cent of those over $1,200.

An appropriation of $25,700,000 will be urged for clerks of the first and second class offices, an increase of $23,000,000 over the current year, of which increase $1,370,000 is for employment of additional clerks and the rest for the promotion of 16,300 clerks in first and second class postoffices.

The department is also considering an amendment to the present law limiting the payment of higher compensation to letter carriers.

**In Interest of Union Pacific.**

New York, Oct. 25.—The Baltimore and Ohio stock purchased some time ago from the Pennsylvania railroad by R. R. Kuhn, Loeb & Co., has, the Times says, been taken over in the interest of the Union Pacific. The stock acquired by the Union Pacific, it is stated, by no means represents a controlling interest in the Baltimore and Ohio, but it is sufficient to give the interests identified with the Union Pacific an important voice in the management of the Baltimore and Ohio.

**Former Jockey Pensioned.**

New York, Oct. 25.—Grover Cleveland Fuller, until a year or two ago one of the prominent jockeys of the country, has been granted $100 a month for a year by the stewards of the Jockey club. The money will be drawn from the jockey fund for disabled riders. Fuller is now a cripple, the result of injuries received in a race in the spring of 1905. For three years previous to that time Fuller's work in the saddle earned for him $25,000 a year.

# REMARKABLE DEMAND FOR COOPER MEDICINES

**The Phenomenal sale of L. T. Cooper's new preparations proves the many reports of their marvelous curative properties.**

MR. H. JORDAN.

The demand for Cooper's New Discovery and Quick Relief, which have effected such remarkable cures of stomach trouble, rheumatism, deafness and catarrh, has become enormous. Newspapers in every city have commented upon the curative powers and on the unprecedented demand of these remedies. Thousands of letters come every day to Mr. Cooper describing some of the most remarkable recoveries from the ravages of disease that have been brought to the attention of the public in recent years. A most remarkable letter was recently received from Mr. H. Jordan, a well known restaurant proprietor of Scranton, who writes Mr. Cooper as follows:

"I have suffered for the past three years with a severe case of stomach trouble. I could eat next to nothing and suffered untold agonies from indigestion. My food would sour after eating and I would have sick headaches and dizzy spells. I lost forty pounds in weight and grew weak and nervous. I doctored with many different physicians and tried a number of so-called remedies, but received no relief. Reading of the remarkable cures of stomach trouble effected by Cooper's New Medicines, I decided to give them a trial. I secured a bottle of the New Discovery and received almost immediate relief. My appetite has returned and I do not experience any difficulty in digesting anything I eat. All pain and nervousness have disappeared and I am rapidly gaining in strength and weight. I desire to thank you for the good these remarkable remedies have done for me." Signed:
MR. HENRY JORDAN, 136 Penn Ave., Scranton, Pa.

Nearly all diseases originate in the stomach. Cooper's New Discovery acts directly on the stomach and digestive organs. It increases the gastric juices, which are an all-important factor in the proper digestion of food.

Cooper's New Discovery and Cooper's Quick Relief are the preparations with which L. T. Cooper effected his remarkable cures in St. Louis, New Orleans and other large cities, and results have amply proven that they can be used in the home with as much success as though administered personally by Mr. Cooper or his physicians.

**Cooper's New Discovery costs $1.00 per bottle; six for $5.00. Cooper's Quick Relief costs 50c. You can get them of**

### ANNA HELD ROBBED.

**$150,000 In Gems Stolen From Actress on Train.**

Cleveland, O., Oct. 25.—The police and a detective agency are working diligently to discover the whereabouts of $150,000 worth of jewelry which Anna Held, the actress, reported was stolen from her on a Pennsylvania train while coming into Cleveland early Monday morning. The gems, said to include many very elaborate and valuable pieces, were stolen from Miss Held's state room while she and her husband, Florence Ziegfried, Jr., were temporarily absent from it.

The jewels were in a small hand satchel, which also contained over $6,000 in money and papers, bank books, etc., which Miss Held said she valued at $100,000. When the case was first reported to the local police they were incredulous, but Chief Kohler says he is now convinced that the robbery was committed.

Miss Held gave a description of two men on the train she said she suspected, and the detective agency reported that they had got trace of one of them in Baltimore. Miss Held says she believes she was followed by the two men from Baltimore to this city. The actress appears grief-stricken over her loss, and says the satchel contained her entire fortune.

The more valuable pieces stolen consisted of a string of 63 pearls, valued at $35,000; a 15-inch corsage piece of diamonds and emeralds and valued at $25,000; a string of 51 pearls, valued at $25,000; a dog collar with four brooches of diamonds and eight strings of pearls, valued at $25,000; a diamond brooch worth $6,000, and some 30 other articles, consisting of rings, chains of diamonds, necklaces, etc., valued at from $500 to $5,000 each.

### Danger from the Plague.

**Trial at Macon of Man Who Is Charged With Fraud.**

Macon, Ga., Oct. 24.—R. R. Gordon, who claims to have worked as agent for a New York building, loan and investment company, was placed under heavy bond before United States Commissioner L. M. Erwin, under charge of devising schemes to defraud through the mails.

The case worked up by Postoffice Inspector W. B. Platt reveals a smooth scheme by which it is charged many citizens in south Georgia were swindled. Gordon resided at Helena and claimed to have done business throughout the adjoining territory. The plan disclosed by the authorities was an offer to secure large loans on real estate, a small advancement of fees for examining titles and other expenses was secured. Under this plan, a Dublin citizen spent on advance as high as $125.

Gordon was said to have worked through an attorney in Savannah, whose name was given as Mace. The inspector found that letters had come from Gordon to the address, and that later Gordon had ordered the same letters forwarded to him at Helena. Gordon was first arrested at Albany, where he was charged with cheating and swindling.

A long hearing Monday in Macon resulted in his detention for action of the federal grand jury.

### Blacks Warned by Whites.

Augusta, Ga., Oct. 24.—A special to the Chronicle from Jonesville, Union county, South Carolina, says a proclamation has been posted by the white citizens warning every idle, indolent negro in the community to go to work at once or leave the community, else drastic measures will be taken. The proclamation is the outgrowth of threats made against a prominent farmer by several negroes, one of whom was captured Monday night and severely whipped. He broke away from his captors and created a panic at a negro church, by dashing into the building while services were in progress.

### SENT UP FOR TWENTY YEARS.

**Assaulter Was Arrested, and Plead Guilty to Charge.**

Montgomery, Ala., Oct. 24.—Herman Thompson, the negro who attempted to ravish little Callie Belle Cain Friday, and for whom posses have been scouring Alabama ever since, is serving a 20-year sentence at Pratt mines penitentiary.

At 3 o'clock Monday afternoon the negro was slipped into the Montgomery city court room, pleaded guilty to his crime, was taken to the depot and was put on a special train to Pratt mine, which had right of way to its destination.

Since his crime was committed Thompson has been in hiding carefully guarded by deputy sheriffs. At a conference with the state officials and Judge W. H. Thomas of the city court, Sheriff W. R. Walls said that for days he has been shadowed by a posse and advised that immediate action be taken. The negro was taken from his hiding place and placed in a buggy with a private citizen. He drove the citizen to the courthouse, alighted, hitched the horse and proceeded to the court room, where he was met by Judge Thomas, the prosecuting attorney, the clerk of the court and a number of armed deputies. He pleaded guilty and was given the highest sentence, 20 years.

Thompson again assumed the role of the buggy boy and drove to the union depot, where a special train was waiting, accompanied by four deputies. He was then taken to Pratt mines.

CHEAPEST STORE ON EARTH

HOISERY TALK.

The season has now come when it is necessary for the whole family to wear Shoes, and of course you can't wear Shoes without Stockings, and usually the Stocking bill is more than the Shoe bill. This will not be the case if you buy a standard brand of goods.

We have just received a large shipment of the celebrated BLACK CAT HOISERY for Men, Women and Children, and this brand is too well known to need much talking about. The price commences at 10c and runs up. The Boys' Hose at 15 and 25c wear almost like leather. See the line and try a pair next time you buy.

The Radcliffe Shoe for Ladies'—both button and lace—at $2.50 per pair are the best that money can buy.

We are now showing many new things in Fall and Winter Goods. It will pay you handsomely to do your trading with us, no matter what you need.

# OLD AGE

Depends Not Upon Years, but Upon Vital Force.

At the recent convention of physicians there was a good deal of discussion in regard to old age and the usefulness of persons over sixty years old. Some at fifty years call themselves old, and really appear so, while others at seventy years seem active, vigorous and young.

It was the opinion that it was not years, but the loss of vital force that makes a person old. Weakened digestion, thin blood and poor circulation soon start functional powers and vitality on the wane, and then the symptoms of old age quickly appear, as the system then has not the power to replace waste fast enough.

Our well known druggist, Mr. W. M. Johnson, says: "That old feeling may be warded off and overcome, and we wish every person in Gainesville who feels old, whether they are so in years or not, would try our cod liver preparation, Vinol. We know that it has vital properties which repairs worn tissues, checks the natural decline and replaces weakness with strength. It is an ideal body builder for old folks."

This is because Vinol is a genuine cod liver medicine, containing all the medical curatives and strength-making elements of cod liver oil taken direct from fresh cod livers, with tonic iron added. We will return your money if it does not do exactly what we claim for it.—W. M. Johnson, Druggist.

NOTE.—While we are sole agents for Vinol in Gainesville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

D. M. Phifer is running a gristmill on East Masonic street, rear of Crawford & Davis' stable, and is prepared to furnish meal, grits and cracked food.

J. M. Price of Melrose, one of the most widely known citizens of that section, was in the city yesterday. He made The Sun an agreeable and pleasant call.

Captain Lewis Wiselogle of Marianna, postmaster of that town, was in the city Wednesday. He came for consultation on important political matters with Register Robinson and Receiver Chubb.

Ex-Congressman Chas. Dougherty and Hon. Frank W. Pope of Jacksonville passed through the city yesterday. During their stay here they were met by many old friends, all of whom were delighted to see them.

At a called meeting of the Kirby Smith Chapter the following delegates were elected to represent their Chapter at the National Convention to be held at Gulf Port, Miss., on the 14th of November: Mrs. John Chesnut, Mrs. M. E. Wertheim, Mrs. J. E. Wainwright and Mrs. J. F. McKinstry, Jr. Alternates; Mesdames J. M. Graham, F. M. Prewitt, A. B. Oliver and Evans Hatle.

Many pedestrians on the east side of the square yesterday were attracted by the novel window display of L. J. Burkhim, the clothier. The window is arranged appropriate to the coming of the Rollins College football team today, containing a large and handsome doll holding a "pig skin," with numerous other paraphernalia to properly carry out the scheme, and altogether the display is a very clever one.
